Sir:

RESPONSE TO ADVISORY ACTION

This is in response to the Advisory Action dated November 4, 2005, in the above-identified application. In the Advisory Action the Examiner indicated that the Reply (amendment) filed by Applicants on October 20, 2005 was a reply filed after a Final Rejection, and that the amendment would not be entered because it raised new issues and required a further search.

On November 23, 2005, the undersigned Agent of record placed a call to Examiner Mosser to advise the Examiner that the Reply filed on October 20, 2005 was in response to the Office Action of May 16, 2005, which action was not a final rejection. Accordingly, it is believed that the Advisory Action dated November 4, 2005 has been sent in error.

No further action by or communication from the Office has been received by Applicants.
